From Obscurity To Honors In One Year

—Is Record of Local Players

In slightly more than one year Peninsula Players have advanced from a North Saanich group of unknown amateur players to a polished company vying with any on Vancouver Island.

When the company presented "Tail of Fire" in the Sixth Annual South Vancouver Island Drama Festival last week it was chosen to offer the production as one of three to form the honor performance on Friday evening.

The play, which depicts the effect of Halley's Comet in mediaeval

times upon a group in a rural inn yard, was highly commended by the adjudicator, Miss Margaret Barney, of Portland, Ore. Miss Barney commended particularly the costumes of the players. She was informed that all were made by members and that the total cost was less than \$20.

A Good Thing

"You've got a good thing there," said the adjudicator, "keep it that way!" She urged the players to keep going in the spirit they were already showing. To have reached the festival standard in 15 months since the group's inception, she said, was a great achievement. This was in no small degree attributable to the spirit of good fellowship and co-operation which "so obviously" pervaded the atmosphere.

The play presented was that already seen in North Saanich when the players produced three one-act plays recently.

Mrs. Ailsa Rothery, director of the play, expressed her gratification for the placing of the production among the honor performances. Her eye was still on the future.

"We need more members," she urged, "to help us repeat our performance."

Big Surplus After Year's Operation

Central Saanich experienced a successful year during 1953. The balance sheet for the municipality shows a surplus of \$9,737.39 for the year.

This figure represents nearly twice the general taxes collected during the year. These amounted to \$5,523.71.

Outstanding feature of the financial report is the comparison between taxes. With general taxes at slightly more than \$5,500, the school taxes represent nearly 14 times this figure at \$70,056.38.

Active Lady Is Ninety

Mrs. Alice A. Jones came to Sidney 21 years ago. Having spent an active life in England and on the central plains of Canada, Mrs. Jones sees her sights on retirement in the pleasant climate of Vancouver Island. She is still living a life of retirement.

The aged lady of Chalet Road, Deep Cove, celebrated her 90th birthday recently. Although hospitalized after a fall at her home several years ago, Mrs. Jones is active and maintains her own home overlooking the waters of Deep Cove. Her home is situated in the immediate vicinity of those of her three daughters, Mrs. Frank Leggart, Mrs. B. Morgan and Mrs. Charles Holt, and her son, E. I. Jones.

Sharp-eyed and keen-minded, Mrs. Jones is a living tribute to the bland climate of the countryside where she has made her home.

On Thursday, Feb. 25, Mrs. Jones was entertained to tea by her daughter, Mrs. Leggart. Later in the evening a number of friends from Victoria attended to pay their respects.

The nonagenarian received cards and gifts from all parts of the world. Included were a corsage of orchids and a dozen red roses.

ASSESSMENT TO COST \$3,000

Re-assessment of Central Saanich municipality will cost about \$3,000 and will require in the neighborhood of two years, Reeve Sydney Pickles announced these figures on Tuesday evening.

The municipality will require to be re-assessed under the provisions of the provincial government education cost program.

Seek Voice

G. M. OWEN

He went away

Central Saanich wants representation on Saanich (No. 63) School Board.

On Tuesday evening Reeve Sydney Pickles stated that the municipality had only one representative owing to the fact that Trustee G. M. Owen had moved from Central Saanich to North Saanich.

The council will call upon the school board to appoint a new trustee for the municipality.

He Has 115 Direct In Line

—Marks 90th Year

Ninety years young is Joseph Marshall, who daily walks to Sidney and back to his home on Lovell Ave.

On March 4 Mr. Marshall entered his 91st year. His daughter, Mrs. E. A. Shirliff, entertained a very happy party of his descendants and neighboring friends on that occasion. Only a few of his 39 grandchildren, 65 great-grandchildren and five great-great-grandchildren could be present, because, with his 11 surviving children, they are scattered far and wide on the North American continent.

The total number of his direct descendants is 115, and the combined ages of his six sons and five daughters would stretch over seven centuries. The exact total is 702 years.

The little Cumberland town where Mr. Marshall was born in 1864 could not hold him for long, and as a youth he came to Morgan County, Illinois, U.S.A.

Only Once

Just once he went back to the homeland, but the "wide open spaces" of the new world drew him back to adventure and achievement.

He married Miss Lulu Rimley and in 1902 they brought their family from Illinois to Canada, settling in the Northwest Territories. For nearly 50 years he took an active part in the development of the province of Alberta.

In 1950 his life-partner passed away at the age of 81. Mrs. Marshall had been an invalid for many years. He then came to his daughter and son-in-law, Mr. and Mrs. Shirliff, of 231 Lovell Ave.

February Warm, Wet

The weather for February was milder than normal with higher than average mean temperature and precipitation and fewer hours of bright sunshine, states the weather summary issued by the Dominion Experimental Station at Saanichton.

The mean temperature was 41.1 degrees F. as compared to the 41-year average of 38.5 degrees F. The maximum mean temperature was 4.9 degrees higher and the minimum 3.6 degrees higher than normal. The highest temperature was 53.5 degrees F. recorded on the 6th and the lowest temperature was 27.0 degrees F. recorded on the 11th.

Total precipitation was 5.7 inches and was made up entirely of rain. This was 1.99 inches above the 41-year average. A trace of snow with some sleet was recorded on the 11th.

There were 81.8 hours of bright sunshine as compared to 92.7 hours for the long term average.

Relative humidity was 81.1 compared to the normal of 85.8.

URGE LOCAL FIRM FOR BANK JOB

At a dinner meeting of the businessmen's committee of the Sidney and North Saanich Chamber of Commerce in Hotel Sidney on Tuesday night under the chairmanship of J. G. Mitchell, discussion centred around the new Bank of Montreal building.

Members were informed that a telegram had been sent to the head office of the bank protesting the possibility of the contract for the building being let to a Victoria contractor, and requesting that consideration be given to the tender submitted by a local firm.

Members endorsed the action taken. The chairman read the text of a reply he had received from the bank in which assurances were given that every such consideration would be shown.

VOTE MARCH 16

All Set For Sidney Sewer By-Law

Voting on the Village of Sidney sewer by-law will take place in the Knights of Pythias Hall on Tuesday, March 16, between the hours of 7 p.m. and 7:30 p.m. Voters will

cast their ballots and thus decide the fate of the \$190,000 by-law. Returning officer is Village Clerk A. W. Sharp.

A simple majority is required for the adoption of the by-law. If it is assented to by the ratepayers, final engineering plans will be drawn and tenders invited. It is expected that work would be under way by this summer.

Mr. Sharp received this week complete, written approval of the provincial department of health concerning the plan to dispose of sewage into the sea at different points below low tide level.

H. Fox, chairman of the village commission, to The Review this week explained that while the major project can be constructed and the

debentures paid off without increasing taxes, costs of connecting private homes to the main sewer line would have to be borne by property owners. It is expected that these connection costs would average out

at less than \$100 per residence. Any pensioners or others who might find this amount difficult to raise in one lump sum, will be assisted by the village by-law.

The directors and all concerned with its administration are making every effort in this direction. They have urged that residents of the Peninsula join the society as a major contribution towards the goal.

Re-classification would result in a larger and better fair and would bring a vastly increased number of visitors here every fall.

President-Elect

S. S. PENNY

Major S. S. Penny, Sidney barrister and former school trustee, was elected president of the Sidney Rotary Club at the last meeting of the organization. He will succeed President V. C. Dawson of Brentwood to the chair in June.

Other officers were elected as follows: secretary, W. J. Wakefield; treasurer, G. C. Johnston; directors, R. E. Gile, J. C. Anderson, N. Greenhill and E. Eng.

Many suggestions and recommendations were put forward by the directors and a heavy business agenda was dealt with.

At the meeting, C. S. Goode, of Patricia Bay, was welcomed back after a long absence. Five members were absent. Next meeting is being arranged by Jas. Ramsay.

Rotarians were pleased to learn that Geo. Fleming had won a prize in the "Gripe of the Week" contest conducted by The Colonist and that he had very generously donated his prize to the Polio Fund.

MARCH OF DIMES OPENS IN SIDNEY

The gay red, white and blue collection boxes for the March of Dimes in aid of Queen Alexandra Solarium will be placed in stores in Sidney through the courtesy of merchants.

The drive in the Sidney and North Saanich area is sponsored by H.M.S. Endeavor Chapter, I.O.D.E.

Sidney Girl Wins Honors In Ontario

Honors in public speaking have been captured in Orillia, Ont., recently by a Sidney girl, Miss Marion Eckert, who is attending Grade 10 in the eastern city. She is the daughter of Mrs. Betty Eckert and the granddaughter of Mr. and Mrs. Owen Thomas, all of Sidney.

The student entered a public speaking contest, dealing with the subject "Race Prejudice". She won first place and a \$10 prize. In a second competition, the contestants were obliged to deliver impromptu speeches. The subject she drew was "Values of Television". Her two-minute speech again was awarded first place.

All winners from various schools were entertained at dinner by the Lions Club. Another competition was conducted at the dinner, with Miss Eckert emerging second and capturing a \$10 prize.

SEEK MEMBERS TO AID FAIR

Attention of directors of North and South Saanich Agricultural Society is on raising the classification of the annual Saanich fall fair to a Class B fair.

The directors and all concerned with its administration are making every effort in this direction. They have urged that residents of the Peninsula join the society as a major contribution towards the goal.

Re-classification would result in a larger and better fair and would bring a vastly increased number of visitors here every fall.

Tunstead Road Is Not Accepted By Council

—No Legal Status, Says Reeve

Tunstead Road is still a private road.

Despite representations from Councillor P. E. Warren, which have been made since Central Saanich was first incorporated as a separate municipality, the council on Tuesday evening decided that there was no legal indication of the status of the road as a travelled public highway.

A number of visitors attended the council meeting to express their views on the question.

W. Taylor, who farms 250 acres in the municipality, objected to the closing of Tunstead Road on the grounds that this would occasion a detour of three miles and a half in order to reach part of his farm. He was assured that there had been no suggestion of closure of the road.

Hazardous

Reeve Sydney Pickles explained that G. A. Vantreight had offered to sell the road to Councillor Warren in order that the latter might present it to council. If this offer was made by a lawyer, the reeve suggested, it was extremely hazardous for the council to assume that the road was, in fact, a public highway.

Councillor Warren, withdrawing from the council table, cited letters

from Saanich in which it was stated that the road had been maintained by that municipality. He also quoted a letter from the attorney-general stating that if a road had been maintained out of public funds, then it was automatically considered a highway.

Councillor Warren was informed that he might pursue the matter at any time by formally requesting the council to adopt the road and citing irrefutable proof that the road had been tacitly adopted in the past.

No action was taken at this time.

No Grants This Year

Central Saanich will pay no grants to any organization.

This policy of no grants was reaffirmed on Tuesday evening when the council adopted the recommendation of Reeve Sydney Pickles.

Said the reeve, "I do not feel that it is a desirable policy to take money under pressure and then give it away."

The reeve added that he would undertake to see that taxes on the Scout hall were paid, but that this payment would not come out of municipal funds.

APPROVED ON PRINCIPLE

Construction of an auto court on Verdier Ave. on the property of James H. Smethurst was approved in principle by Central Saanich council on Tuesday evening. On the recommendation of Building Inspector P. S. Lomas the property was approved under the provisions of the National Building Code.

Erection of an open car port on the store property of E. C. Tucker, Verdier Ave., was also approved.

Road Widening Is Too Expensive

Widening of Sea Drive at Brentwood will not be undertaken this year. Central Saanich council on Tuesday evening heard a request from Harold Cross that the road be widened while any pipe-laying operations were under way.

The council decided that the widening would entail removal of solid rock and would be too expensive at this time.

Post Office Probe Is Promised

Congestion in the public lobby of the Sidney post office will be investigated immediately.

This promise is made to The Review in a letter from W. J. Turnbull, of Ottawa, deputy postmaster general.

This newspaper recently aired complaints by Sidney residents against the pitifully inadequate space for the public provided in the Sidney post office. A copy of the article was forwarded to Mr. Turnbull.

The deputy postmaster general replied as follows: "This refers to your letter of February 19 enclosing copy of an editorial which appeared in the Saanich Peninsula and Gulf Islands Review regarding the conditions which obtain at the Sidney post office. In reply, I wish to inform you that this matter will be immediately investigated and as soon as all the facts have been placed before me I will write you again."

Chickens Destroyed In Blaze

Damage amounting to about \$400 was occasioned early on Monday morning when a brooder house and young birds were burned at the home of Robert Munsell, Queens Ave.

The Sidney and North Saanich Volunteer Fire Department was called out to the fire at 7:15, but the alarm was given too late to save the building. Destroyed in the fire were 300 week-old chicks.

Firemen saved the adjacent brooder house and its contents.

On Monday evening the firemen were again called out to the home of D. W. Collett, Land's End Road. A chimney fire was extinguished with no resultant damage.

Fire Chief G. A. Gardner announced that two new smoke masks have been added to the equipment of the department.

Founder of Rest Haven Succumbs

A former well known resident of Sidney, Dr. William Gordon Cumming, 76 years, passed away at his Seattle residence on March 4. Funeral services were conducted at Highline Funeral Home, followed by cremation.

The late Dr. Cumming was born in Belleville, Ont., and graduated in medicine from McGill University. He became a ship's surgeon and later established a medical practice in Sidney.

Dr. Cumming erected a combination residence and office building on Third St. It is now the home of Mrs. Wallace Smart. Later he erected the structure known as Shoreacres, now the home of Mr. and Mrs. H. Bradley. This building was at one time used as a country club.

With his practice growing, Dr. Cumming built Rest Haven Hospital, still a well known medical institution. He took a prominent part in all activities for the advancement of Sidney.

During the First World War, Dr. Cumming served with the Canadian Army Medical Corps in France. He remained abroad until 1923 when he returned to Vancouver Island. He retired from practice in 1937 and took up residence in Seattle.

Surviving are his widow, Euphemia; a son, William, Jr., of Seattle; a daughter, Mrs. Howard Turner, of Montreal; and one granddaughter.

SAANICH FAIR GROUP IS HOST

Saanich Fair committee will be hosts to the British Columbia Fairs Association at Saanichton on Friday, March 19. Delegates from all parts of the province will attend by air and sea.

The meeting will open at 10 a.m. in the Agricultural Hall and luncheon will be served by the North and South Saanich Agricultural Society, sponsors of the full fair on the Peninsula.

Official delegate to the meeting from the local society will be Frank Butler, McTavish Road farmer.

Among the distinguished guests will be president of the society, Albert Doney; Reeve Sydney Pickles, Central Saanich; Reeve Joseph W. Casey, Saanich; and Commission Chairman Harold Fox, of Sidney.

NORTH SAANICH AND ROYAL OAK BREAK EVEN IN TWO GAMES

On Thursday, Royal Oak sent its crack senior girls' basketball team to North Saanich where the girls found the gymnasium very much to their liking and proceeded to fashion an easy 33-17 victory.

M. Callender with 12 points and G. Pope with six were the leading scorers for Royal Oak, while M. Carbert, six, and Pat Gray, three, were the leading point-getters for North Saanich.

Teams were:
Royal Oak—L. Butler, G. Pope, M. Callender, B. Pennington, L. Brooks, C. Williams, R. Hetherington and W. McNally.

North Saanich—S. Polson, D. Woodridge, J. Bowker, M. Pope, N. Bickford, L. Mitchell, M. Carbert, A. Nimmo and P. Gray.

Turn Tables

On Monday North Saanich high senior boys turned the tables by defeating the Royal Oak squad by 38-30 in a game played at Royal Oak.

North Saanich opened with a five-point lead which Royal Oak soon erased to give them the lead at the end of the first quarter, 8-6. Saanich took the second quarter, 13-6, the third 19-9, and the last 9-7.

High scorer for the day was Bill Oldham, of Royal Oak, with an impressive 14 points. Dave Peddle, for North Saanich, had 12 points to his credit as did Jack Quinton of Royal Oak.

Teams were:

North Saanich—H. Jacobsen, S. J. Pearson, D. Beaveridge, J. D. Peddle, D. Norbury, S. D. Gray, D. Troust, 2

Royal Oak—V. Lindal, 1, R. Baadsvik, 1, W. Oldham, 14, J. Quinton, 12, D. Cuthbert, Dave Cruickshank, E. Williams, 2.

A. W. Murphy was referee.

TEN EACH TIME, HE HIT HIGH

R. Weldon Stacey, of Sidney, fired 6,000 shots, 10 at a time, during the two years he was residing in the Ocean Falls area.

Every target was duly forwarded to Dominion Rifle Association when the total had been reached. Mr. Stacey last week was awarded a silver shield in token of his marksmanship. His score was 5,980 of a possible 6,000.

IN AND

Around Town

Telephone 28

Mrs. E. H. Lawson has returned from the Royal Jubilee Hospital after a month's stay, during which time she underwent an operation on her eye.

Alex D. G. Laing has returned to his home in Saskatchewan following a holiday spent with Mr. and Mrs. E. R. Adams, Amelia Ave. Mrs. Laing, sister of Mrs. Adams, returned earlier to resume her teaching duties at Bethune, Sask.

H. A. Rose has returned to his Marine Drive home after spending the winter months at the home of his daughter in Calgary.

Visiting their relatives in Sidney this week are Mr. and Mrs. T. J. Gorton of Quesnel, B.C., former

residents of Sidney. Mr. and Mrs. Gorton left for the interior two years ago.

Douglas John, son of Mr. and Mrs. G. Elmor John, East Saanich Road, who recently left for Britain, sailed last week as third mate aboard

(Continued on Page Ten)

ALFRED COLE IS CALLED BY DEATH

Alfred Cole, aged 70 years, of 790 Fourth St., Sidney, was called by death on Thursday, March 4. He had been suffering ill health for a number of years. A resident of Coronation, Alta., Mr. Cole had farmed in that area since he left his native England in 1903. He was born in Dawlish, Devon.

Accompanied by Mrs. Cole, the retired farmer came to Sidney 18 months ago.

He leaves to mourn his wife, Daisy, at home; one daughter, Mrs. C. J. Douma, Sidney; and a brother, Ernest John, of Ladner, B.C., and a sister in England. A son, Reginald, predeceased him in 1943, when he was killed in action while serving during the Second World War.

Last rites were observed on Saturday, March 6, from the Cline Funeral Chapel, Sidney. Rev. Roy Melville officiated. Pallbearers were R. McCormick, S. Bock, W. Luke, V. Hird, J. M. Porter and R. Jefferson. Interment followed at Royal Oak Burial Park.

Minister Speaks Of Mission Field

The W.A. to St. Paul's United Church held the monthly meeting on Wednesday afternoon, March 3, when the president, Mrs. H. T. J. Coleman, welcomed a large gathering of members.

Mrs. H. J. Kemp, on behalf of the W.A., tendered a hearty vote of thanks to the group of members from South Beacon Circle, who during the past week had held a cleaning bee in the church parlors, leaving them sparkling clean and fresh.

H. Readings reported that the Bazan Bay circle are planning a St. Patrick's tea on March 20.

Each circle proposed to take charge of the kitchen arrangements alternately once a month at the social evening after church services.

Mrs. W. Beeston reported that the new dishes, silver and linen for the kitchen had been purchased, and Mrs. A. Dore reported on the new furnishings, which are being bought for the manse.

Thanks were tendered to these ladies for their untiring energy.

At the close of the business meeting, Rev. Wm. Buckingham, the guest speaker, gave a most entertaining address on Malaya, where he was for some years minister in charge of the Presbyterian church in Kuala-Lumpur.

Illustrating his talk with blackboard sketches and photos, he gave a vivid picture of the Malayan Peninsula, with its luxurious growth, humid atmosphere and rich resources. His work was mainly with the civil servants and rubber planters, and he travelled many miles to hold services on isolated plantations.

At the close of his address Mrs. J. D. Butler proposed a hearty vote of thanks to Mr. Buckingham on behalf of the W.A.

Tea hostesses for the April meeting are Mesdames B. F. Mears, M. Martin and E. McKillican.

Anglican Ladies Seek Clothing For Korean Victims

The monthly meeting of the afternoon branch of St. Andrew's and Holy Trinity W.A. was held in St. Andrew's Hall on Wednesday, March 3, with the president in the chair, 15 members and one visitor present. The rector, Rev. R. Melville, opened the meeting with reading St. Luke 12: 13-31, followed by the W.A. Litany, prayers and a Lenten message.

During the business session, the delegates to the Diocesan W.A. Board meetings, gave reports of the jubilee meetings held in Victoria last week. There was a good attendance of delegates and visitors from all parts of the diocese. The Diocesan W.A. officers' reports showed progress in interest, an increase in membership, and finances.

Two words stand out in the 50th anniversary, thankfulness and aspiration. Thankfulness for the past, and aspiration for the future. "Ye Shall Be Witnesses" was emphasized throughout the meetings, reported delegates.

An appeal was made for used clothing for Korea, and donations were received for the Korean Children's Fund.

Next meeting to be held on April 7 in St. Andrew's Hall. The meeting closed with prayer. Tea was served by the hostesses, Mrs. H. Graham and Mrs. Banks.

PARENTS URGED TO CO-OPERATE WITH POLICE

Parents were urged to co-operate with police in suppressing the habit of riding bicycles at night without lights when R.C.M.P. Constable George Kent addressed Saanich P.T.A. on Tuesday evening last week. The Sidney police officer also urged that the children be instructed to obey other rules of the road.

The constable emphasized that parents should ensure that the bicycle was properly equipped with adequate lighting before a youngster was permitted to use it at night. He noted that co-operation on the part of parents will prevent a serious accident between a bicycle and an automobile.

The address was followed by the showing of a R.C.M.P. film which depicted the journey of the police boat, the St. Roche, from Vancouver to Halifax by way of the Northwest passage. Miss Chamberlin operated the projector. A special guest speaker will be featured at the next monthly meeting, April 6.

HONORS AWARD IN MUSIC TEST

Avis Margaret Boshier, daughter of Mr. and Mrs. J. E. Boshier, Third St., Sidney, was placed in the honors class recently when she was a successful candidate in musical examinations held in Victoria by the Royal Conservatory of Music.

Miss Boshier is a pupil of Eric V. Edwards, L.R.S.M., A.R.C.T. Her examination was in Grade 2 piano theory.

MUSICIANS AID UNITED CHURCH BUILDING FUND

A splendid program of choral and instrumental music was heard by an appreciative audience in St. Paul's United Church, Sidney, on Saturday, March 6.

Under the capable direction of Conductor Eric V. Edwards, L.R.S.M., A.R.C.T., the Sidney-North Saanich Musical Society presented a concert in aid of the church building fund. Mrs. D. H. Filby, A.T.C.M., accompanied the choir, and Miss Florence Smith, of Victoria, was guest artist.

The choir sang a diversity of selections, ranging in mood from the sweeping strains of T. Cooke's "Strike the Lyre", to the quiet sweetness of Brahms' "Lullaby", and including the solemn "Sanctus" from Beethoven's Mass in C, which was sung in Latin.

The warmth of Miss Smith's rich contralto voice was heard to advantage in two groups of solos, which included "Bird of Love Divine" by Haydn Wood, and "Come Sweet Morning" by R. H. Elkin. For an encore Miss Smith sang "An English Garden". The popular singer was accompanied by Miss B. Compton, A.T.C.M.

In her pianoforte solos, Mrs. F. D. Till, L.R.A.M., G.R.S.M., who never fails to thrill her listeners, gave a brilliant performance of the First Movement of J. S. Bach's "Italian Concerto", and showed a depth of understanding in bringing out the haunting melody of Brahms' "Intermezzo" in B Flat Minor, and the masterful "Ballade" in G Minor. As encores, Mrs. Till played the rippling "Solfeggietto" by C. P. E. Bach, and the dainty Chopin Mazurka in A Minor.

The instrumental trio won generous applause for their rendition of

two beautiful numbers—a 17th century "Church Air" by Stradella, and the Bach-Gounod "Meditation". Members of the trio are Grace Beswick, violinist; Muriel Filby, pianist; and Eric Edwards, organist. Although unusual, this is a very effective combination of instruments.

For the finale, the choir and trio combined to perform the numbers, "Seek Ye the Lord" and "Sing Unto the Lord", both from the cantata "Artaban", composed by Eric Edwards.

The concert was under the patronage of Maj.-Gen. G. R. Pearkes, V.C., M.P., and Mrs. Pearkes; Magistrate F. J. Baker and Mrs. Baker, Mr. and Mrs. J. J. White, Mr. and Mrs. J. J. Woods, Mr. and Mrs. N. Pavelic, and Mr. and Mrs. J. S. Rivers—Grace Beswick.

CANADIAN JUDGE AT SCOTISH CATTLE SHOW

A Canadian, F. A. Edwards, of Arva, Ont., was the judge at the annual show and sales of Aberdeen Angus cattle at Perth, Scotland, recently. He is himself a breeder of prize-winning cattle. There were 710 entries in the show, including a Canadian favorite, the Aberdeen Angus, one of Scotland's greatest contributions to livestock breeding.

TO DISCUSS RECREATION PROGRAMS

Sidney residents were invited to attend a public meeting at the former Sidney elementary school on Monday evening, Mar. 8, to discuss the provincial recreation plan.

Mrs. F. Spear, of Sidney, attended the provincial recreation conference in Victoria, Feb. 22 to 26. There were specialists in every field of recreation to address delegates from 51 districts, including regional consultants.

The Sidney delegate later reported that the meetings were most instructive. The speakers outlined a wide variety of subjects in which the branch will assist communities.

Mrs. Spear commented that a number of delegates attended the convention with a reluctance after the elimination of the earlier provincial recreation scheme. Few were not satisfied with its successor, she said.

In the early days of flying airplanes were viewed as too dangerous to be employed in combat. They were simply reconnaissance equipment.

GIBSON'S BOWLADROME

Yates Street - Victoria

SAANICHTON

The regular monthly meeting of the Saanichton Circle was held at the home of Mrs. H. Facey, East Saanich Road, on Tuesday last. Mrs. W. Turner presided and there were 24 members present. All conveners reported on their activities. Plans were made for the spring flower tea and sale of plants to be held on Saturday, April 17, in the dining room of the Agricultural Hall. Mrs. Facey, convener of the missionary committee, had cut out several baby garments; these were distributed to members to sew and return by the next meeting for the missionary project. Once again the circle is going to hold a rummage sale in the public market in the fall. Dates will be announced later. There was a discussion on the fall bazaar and several ideas were brought forth. Refreshments were served at the close of the evening by the hostess, assisted by Mrs. F. Watson and Mrs. Delbrouck, who took over in the absence of Mrs. A. Johnstone.

The regular fortnightly "500" card party sponsored by the community club was held in the dining room of the Agricultural Hall on Wednesday last with seven tables in play. Prizewinners for the cards were Mrs. Little and Mr. Dadds. Winners for the tombolas were Mrs. Moulson and Mrs. Dadds. Refreshments were served by Mrs. J. Nimmo and Mrs. Ratcliffe. Conveners for the cards were C. Dadds, G. May and F. Hancock.

The Saanichton Badminton Club took another step towards winning their section of the league last Wednesday, when they defeated Civil Service by 12-4 in Victoria. The last game will be played at Saanichton on March 15. Sooke will be the visiting club, and Saanichton cannot afford to treat the opposition lightly. In the game against Civil Service, play was very keen and G. Godfrey and J. Webster in particular, had plenty of exercise. Mrs. Looy was outstanding on the ladies' side. The team was J. Ethier, G. Jones, S. Polson and D. Looy. Men: G. Godfrey, J. Webster, J. Looy and R. Harris. Civil Service were good sports, and served splendid refreshments after the game.

The South Saanich W.A. of St. Stephen's Church met at the home of Mrs. G. Brown, East Saanich Road, on Wednesday last. Miss Worthington reported on the diocesan conference held in Victoria.

Conveners were appointed at this meeting for the May Day tea to be held in the parish hall; they are as follows: tea, Mrs. H. Harper; aprons, Mrs. L. Littlewood; home produce, Mrs. R. Gibson; and flowers, Mrs. Hall. Mrs. Gibson reported on material for re-covering 12 kneelers for pews in St. Stephen's Church, a work party will be held on Wednesday, April 14; members of the Men's Club have offered their assistance, and a pot-luck luncheon will be served. Tea was served at the close of the meeting by the hostess, assisted by Mrs. Clarke. The next meeting will be held on April 7.

Date for the Saanichton Guides' and Brownies' tea and films has been changed from Friday, March

MORE ABOUT TEACHER

(Continued From Page One)

vacation in the British Isles. A few short years later she was clad in a blue uniform after joining the navy to see the world.

Her view of the world was abbreviated. After training at Galt, Ont., she was posted to Jericho Beach Joint Services Headquarters.

At the Vancouver headquarters she met and married Corporal Randy Mills of the R.C.A.F. Her husband's enthusiasm for the attractions of Vancouver Island led to their settling here after the end of the war.

Enjoy Climate

The family was joined later by Mrs. Mills' parents, who came to enjoy the same bland climate. They have two children, Linda, 9 and Jack, 6. Both children are growing up to the sight of their mother leaving each day to teach school. There is no longer a bustle skirt to remain in their minds.

Apart from her teaching, Mrs. Mills has always taken a keen interest in Girl Guide work. This, again, is no novelty to her family. Her mother was camp adviser on trips around Manitoba. Mrs. Mills is now district commissioner of the area, which comprises Cordova Bay, Elk Lake, Keating, Brentwood and Saanichton.

Mrs. Mills has only one regret at living on the island. She is a member of the Sigma Kappa sorority and is unable to associate with her sister members as none is living in the vicinity of her home.

Her husband's enthusiasm for boating and camping is also her own.

Today Mrs. Mills has but one active hobby outside her work and her Guides. She enjoys cooking.

19, to Friday, March 12, one week earlier. Please take note.

There was a very good attendance at the Saanichton Community Club monthly meeting held in the dining room on Thursday last. F. Hancock presided. The meeting decided on a banquet again this year, the date to be April 23. It will take the form of a cold turkey supper and is being catered by the Beacon Cafe, Sidney. Prices will be \$1.25 for adults, and children, 65 cents. Tickets can be obtained after March 13 from D. Looy or Mrs. Bud Michell. Trophies will be presented at this affair, and films will be shown. The club is considering forming a bridge club if there are enough members interested. Further particulars can be obtained from Major C. Dadds. The next two "500" card parties will be convened by Major and Mrs. Dadds and Mr. and Mrs. T. Moulson. Dates will be March 17 and March 31.

There were no games of basketball scheduled for the Agricultural Hall last Saturday evening, but on Friday the "Old-Timers" played Brentwood at Brentwood but lost the game by 17 points. On the series they won by seven points so will retain the trophy. On Friday and Saturday the bantam girls will play in the tournament at S. J. Willis high school.

Four basketball games were played on Friday last at the Brentwood Community Hall. The first was a very good game with Brentwood midget boys beating Cordova Bay 20-6. In the second game Saanichton bantam boys defeated Brentwood 25-10. Brentwood juvenile boys proved too strong for Sooke in the third game, beating them 35-25. In the final, Brentwood Old-timers were in top form and handed Saanichton a 40-23 defeat, but they lost the series by seven points. Games for Friday, March 13, are as follows: Brentwood biddy girls vs. Cordova Bay; Brentwood midget boys vs. Cordova Bay; senior men vs. Saanich. These games are all the first of the playoffs for Saanich cups.

CENTRAL SAANICH

BRENTWOOD

There was a good crowd at the Women's Institute hall on Friday evening to see the picture show put on by the Brentwood College Memorial Chapel. The main feature was "Aladdin's Lamp." The proceeds will be for the chapel funds.

New residents in the district are Mr. and Mrs. P. N. Gosselin from Victoria who are now residing at the corner of Eliot and Wallace Drive. Mrs. Gosselin is the daughter of Mr. and Mrs. Tomlinson, of Brentwood.

Mrs. C. E. King, Stelly's Cross Road, has had as her guest her sister-in-law, Mrs. A. Pinkerton, from North Vancouver.

On Tuesday last Mrs. G. Bickford, West Saanich Road, entertained for her son, Billy, who was celebrating his 12th birthday. The young guests were Kathleen Rice, Linda Bow, Keith Vickers, Gordon Clemett, Wayne Hamilton and Bobby Gail.

Two tenants at the W. J. Dignan home, corner of Stelly's Cross Road, had a scare early Sunday morning when they were awakened to see a strange man standing in their rooms. He had gone from one apartment to the other. When questioned why he was there he seemed too stupid to know, but eventually left quietly, leaving two very scared people.

A meeting of the Brentwood Scout Committee was held at the home of Mrs. W. J. Dignan on Monday evening. Plans were made for a picture show at the W.I. hall on Saturday, March 13, at 7.30. The proceeds will be for the Scout funds and they are hoping that the hall will be filled to capacity, so they will realize enough to paint the outside of the Scout hall. A report was given by the delegation who attended the group meeting held in Victoria recently. The speaker at this meeting was Col. C. T. Batten, recently appointed Provincial Commissioner of Boy Scouts Association, accompanied by Ken Jordan, Provincial Executive Commissioner. These gentlemen are visiting the Scout groups in all the districts of the province. Members of the Brentwood delegation were Mrs. M. Hamilton, Mrs. C. L. Dickens, Mrs. W. J. Dignan, Mrs. R. Ford, Mrs. P. Stewart and Mrs. R. V. S. Kelly.

Four basketball games were played on Friday last at the Brentwood Community Hall. The first was a very good game with Brentwood midget boys beating Cordova Bay 20-6. In the second game Saanichton bantam boys defeated Brentwood 25-10. Brentwood juvenile boys proved too strong for Sooke in the third game, beating them 35-25. In the final, Brentwood Old-timers were in top form and handed Saanichton a 40-23 defeat, but they lost the series by seven points. Games for Friday, March 13, are as follows: Brentwood biddy girls vs. Cordova Bay; Brentwood midget boys vs. Cordova Bay; senior men vs. Saanich. These games are all the first of the playoffs for Saanich cups.

CANADIAN DREDGE
Machinery worth \$250,000 is to be supplied by two British firms for a Canadian government steel dredge. The new dredge will replace two old vessels, one built in 1901, the other in 1907. It is for use on the West Coast.

Mount Newton Junior High News

By Donna Spears and Gail McKevitt
(By Donna Spears)

The intermediate girls met the North Saanich quintette in basketball on Tuesday afternoon, at Mount Newton auditorium, winning the game with the score, 22-12.

Mr. Miller is organizing a girls' choral group to enter the forthcoming musical festival in Victoria.

On Friday, the class group photos were taken by Mr. Gibson, photographer.

COMPLETION OF PROJECT LIES WITHIN SIGHT

Two Central Saanich business-houses have volunteered assistance in the construction of a comfort station at Brentwood. Garage proprietor John Johnson has offered space for the structure and will supervise the completed building. Butler Bros. have promised the necessary ready-mixed concrete for the project.

Central Saanich Chamber of Commerce was informed of this progress at its meeting last week.

At the same time new officers were installed for the coming year. The officers are: Harry Peard, president; Alec Cuthbert, vice-president; G. R. Smith, secretary. Council includes C. I. Douglas, George Hafer, Ed Logan, P. S. Lomas, H. J. MacDonald, Don McDermid, J. T. McKevitt, Dr. H. B. Wood, W. W. Michell, M. Rice, Roy Tidman, Al Vickers and V. J. Wood.

At the business session, while Mr. Peard took office for the first time, it was stated that the committee in charge of the project hoped to raise the necessary funds for the completion of the comfort station.

The annual banquet will be held this year, but no date has yet been set.

For the sake of one good action a hundred evil ones should be forgotten.—(Chinese Proverb).

CANADIAN GIFT OF \$5,000 FOR ENGLISH CHURCH

A gift of \$5,000 has been received by the little parish of Bear Wood not many miles from Windsor Castle, England. The money was sent by the General Synod of the Church of England in Canada to assist in the restoration and repair of the parish church. The gift will act as a reminder of the First World War link between Bear Wood and the Dominion, for then there was a Canadian Red Cross hospital in Bear Wood and many Canadians lie buried in the parish churchyard.

A silver tea was held at the Institute Hall on Wednesday afternoon, March 3, by the mothers' group of the Girl Guide and Brownie organizations in this district. Convened by President Mrs. J. Tubman, the affair proved to be a great success. A home cooking stall was a feature

BRENTWOOD SCHOOL NEWS

(By Janet Milligan and Clara Kockott)

Visitors' Day at Brentwood school was held on March 9.

Last week, the Junior Red Cross treasurer of Division 1 sent \$57 away to the Red Cross in Vancouver.

In the last week we have been playing softball at the school.

On March 10 the cast for our Drama Festival play will go into S. J. Willis school to practice their play.

We hope to have our annual school concert on April 2.

of the afternoon, and was soon sold out. Mrs. R. E. Nimmo welcomed the guests and introduced Mrs. Freeman King, divisional commissioner for Saanich, who officially declared the tea opened. Also an honored guest was Mrs. F. W. Midgley, area commissioner of Girl Guides. Mrs. Mills, district commissioner, and Miss M. Clark, Acting Brown Owl of the Keating Brownies, were also present. Winner of the door prize was Mrs. Wm. Hamilton.

Miss Edith John, of Victoria, was a week-end guest of Mr. and Mrs. Harold Young, Central Saanich Road.

BUREAU CONSTITUTION URGED BY PENDER ISLAND RESIDENTS

A public meeting was held in the Hope Bay Hall on Monday evening, March 1, with most of the residents of Pender Island present. Reports were given by Capt. Roy Beech, on the ferry situation, and also by J. Bridge on the transportation problem.

Mr. Shirley reported on the power situation.

A vote of appreciation was given to the delegates for their work. The sum of \$281.30 had been raised to take care of the expenses. This amount came from Pender Island alone.

It was decided that the Farmers' Institute should carry on representation of all the island to and through the Gulf Islands Bureau.

Responsible Groups

It was felt desirable that the bureau should draw up a constitution and straighten out its system of voting on major issues and that all delegates to the bureau should have instructions from responsible public

FULFORD

After spending the winter months at Fulford, Mr. and Mrs. Marvin Williams and sons, Martin and Vernon, left Fulford for Seattle on Friday, March 6.

Mr. and Mrs. Harry Cooley and Sheldon arrived from Victoria on Saturday to spend the week-end with Mr. and Mrs. Jack Rogers, The Cranberry.

R. J. Hepburn returned to Nanaimo on Sunday after spending the week-end at his Fulford home.

bodies on their island, and be, by them instructed how to vote.

A committee was also formed consisting of the following: S. P. Corbett, L. Auchterlone, F. Smith, Mrs. J. Garod and Mrs. D. Cousin, to act as the cemetery committee, reporting back to a general meeting at a later date. G. Pearson was chairman of the meeting.

GALIANO

Mrs. M. Fisher has left to spend two weeks visiting friends on the mainland.

Miss Gwyneth Jones, of West Vancouver, visited Mr. and Mrs. D. A. New last week-end. She was accompanied by David New.

Mrs. Frank Johnston visited Ganges last week, when she was the guest of Mr. and Mrs. R. Alex Payne.

Mr. and Mrs. Rose Brackett have left to visit their relatives on Pender Island.

Mr. and Mrs. Thomas Dowker of Nelson, B.C., spent several days of last week visiting on the island.

Geoff. Marples and Stuart Doan were guests at Galiano Lodge during last week.

A party of seven, members of St. Margaret's Guild, visited Mayne Island on Friday, March 5, to attend a service at St. Mary Magdalene's Church on the occasion of the Women's World Day of Prayer. Following the service, the visitors and other members of the congregation were entertained to tea at the home of Mrs. R. T. Gilman.

LEGION LADIES PLAN FASHION SHOW AT GANGES FOR MARCH 17

The monthly meeting of the Ladies' Auxiliary to the Salt Spring Island branch of the Canadian Legion was held recently in the Legion Hall, Ganges, with the president, Mrs. A. M. Brown, in the chair and 32 members present.

The correspondence was read and also the treasurer's report, which showed a balance of \$89.67. Mrs. J. W. Catto was appointed blanket convener.

George Heinke, as past president of the local branch, gave a talk on the aims and objects of the Canadian Legion and, later, a hall committee consisting of Mrs. J. B. Acland, Mrs. E. J. Ashlee and Mrs. Adrian Wolfe-Milner, was formed to work with the members of the Legion.

Fashion Show

Final arrangements were made for the spring fashion show which, under the convenship of Mrs. Howard Deyell, with Mrs. W. H. Bradley assisting and Mrs. Peter Cartwright acting as commentator, will take place in Harbor House at 3 p.m. on St. Patrick's Day, March 17. The fashions, to be supplied by Turner's Store, will include sports wear, suits, informal after-five dresses, shortie coats, etc. Tea will be served during the afternoon by the tea committee headed by Mrs. H. F. Minchin.

The organization's chief summer attraction will be an out-of-doors party in August at Rainbow Beach Camp, the home of G-Capt. and Mrs. A. R. Layard.

New Jet Plane Flies Like a Bird

British Catapult Hurls U. S. Jet

Pictured (top) on its first flight is the Short Sherpa, powered by two turbo jets and controlled by flexible wings—like a bird—with rotating tips. A purely experimental plane, it is expected by its British designers to have a great deal of influence on the wing shapes for future high-altitude flight.

On left a jet Supermarine Attacker is hurled from H.M.S. Perseus by a new catapult, the BS4-U, nicknamed the "steam slingshot". Another British invention, it has been adopted by the U. S. Navy and was recently demonstrated before high-ranking officials of both countries at the Naval Air Material Center, at Philadelphia, Pennsylvania.

THE GULF ISLANDS

GANGES

Mr. and Mrs. Frank MacCallum returned on Friday to Cherry Point, Vancouver Island, after a short visit to Vesuvius Bay, guests of Mrs. R. T. Meyer and Miss Dorothy Mickleborough, Tantramar.

Mrs. C. C. Guthrie, accompanied by her sons, Barnaby and Nicholas, returned on Sunday to Victoria, after visiting her parents, Mr. and Mrs. J. B. Acland.

After spending the winter in South America and a few weeks in California, Dr. and Mrs. Frederic Brodie returned home last Thursday.

Guests registered last week at Harbour House: L. Angel, L. Jettley, Vancouver; E. Hanson, Victoria; Mr. and Mrs. Piggott, Mayne Island; J. Carr, T. Rowland, G. Griffiths, B. May, H. Gagen, C. Reader, M. Parker, M. Munroe, Duncan, V.I.

Dr. and Mrs. James Johnston and Susan, also, Miss Elizabeth Moison returned on Sunday to Victoria after spending a few days on the island, guests at Aclands.

Miss Cora Threlkew, of Vancouver, is spending a week or ten days on the island, where she is the guest of Capt. and Mrs. T. A. Millner, Summerlawn Farm, and also Mrs. R. T. Meyer and Miss D. Mickleborough, Vesuvius Bay.

Earle W. Lockwood is in the Veterans' Hospital, Victoria, where he has been a patient for the last two weeks.

Mr. and Mrs. P. D. Crofton left recently for North Vancouver, where they are guests of Mr. and Mrs. Donald Corbett, Capilano Highlands, they will afterwards go on to Kelowna, where they will visit relatives, they expect to return home in two weeks.

J. G. Jensen returned to Vesuvius Bay on Tuesday after spending ten days in Vancouver, visiting his son and daughter-in-law, Mr. and Mrs. Leroy Jensen.

After five weeks on the island, a guest at Aclands, Mr. D. G. MacKenzie left on Monday to rejoin his wife in Arizona, where she is visiting her mother, Mrs. Roy Nicholas.

The explorers of the Ganges United Church realized \$16 on Shrove Tuesday when they held a Pancake Tea in the Church Hall under the management of their leader, Mrs. J. G. G. Bompas. Assisting were Mrs. J. W. Bradley, Mrs. J. H. McGill, Mrs. J. D. Reid, Mrs. J. Tomlinson, Mrs. Cyril Wagg.

Every year your Red Cross trains thousands in skills to protect their families and neighbors in times of emergency. You are helping when you support your Red Cross.

Logger Injured At Galiano

Jack Scott, who arrived on Galiano from Winnipeg several weeks ago, was injured while logging on Tuesday of last week. He was taken to Lady Minto Hospital at Ganges, where it was found that while painful, his injuries were not serious.

NATURE'S SCRAPBOOK

Why Migrate?

Years and years ago scientists, and others not quite so scientific, were confident they had figured it all out. Great masses of data were collected, and pigeon-holed. Migration, to the few at any rate, is no longer a mystery.

Some truths were discovered then; the routes taken by different birds, for instance, how they fed, and, rather more vaguely, why some elected to fly at night and others in the daylight hours.

Maybe we were just a bit too inquisitive! At any rate, we still don't know whether the real home of the wildfowl is in the north or south.

In spite of the numerous weighty opinions solemnly handed down through the years we are still in the dark as to the fundamental causes of this thing called migration. Of one thing we can be sure, however, and that is the North American continent offers the feathered flyers of the world a sort of ne plus ultra summer home.

That these wild things can distinguish between cold and warmth, snow and sun, goes without saying. And the instincts that warn them that the north means with things good to eat also tells them of deadly winter, when snow and cold seal fast all board and lodging.

Not all species of migrants agree on what constitutes safety, however. While some birds, and a few animals too, move only a few miles from their summer or winter home, others cross continents and mountain ranges in a blind effort to conquer space and eventually reach the promised land.

CANADIAN SILVER FOX TOP FASHION NEWS

The Incorporated Society of London Fashion Designers has been showing Canadian silver fox in the London spring and summer collection which opened recently. Silver fox, which now makes a comeback in the fashion world after an absence of almost 20 years, sets off every type of material being used, from tweed to chiffon, because of its heavy richness, its striking combination of black and white and the heaviness of its pel.

Jets Are Lined Up

Scheduled to depart in February for posting to R.C.A.F. squadrons overseas, are these Mark 5 Sabre jets lined up at R.C.A.F. Station St. Hubert, Montreal. Further groups will be ferried across the Atlantic as the Mark 5's come off the production line. Until recently the F-86 Sabres were equipped with the General Electric J-47 jet engine. With the new Orenda engine, designed and built in Canada, the Sabre will have about 1,500 pounds more thrust, the extra power shortening the run on takeoff, a faster rate of climb, a higher ceiling and increased speed. With these Sabres, Canada's squadrons overseas will have a power increase of about 20 to 25 per cent, placing them in the front rank of operational aircraft anywhere in the world today.

OVERCROWDING EVIDENCED BY EMERGENCY HEART CASE

(Contributed)

During the last fortnight 20 patients have been admitted to the Lady Minto Gulf Islands Hospital; five from Mayne Island, two from Galiano and one from Pender, in addition to the local patients.

Dr. Hugh Ford came from Victoria last week and performed an operation.

The drawbacks and inadequacies of the men's ward were again forcibly brought to notice. A serious heart patient, admitted to the hospital for emergency treatment, had to be taken into the men's general ward, owing to the fact that this ward does not have a "separation" room.

The only private room was occupied by a post-operative case and, when it was available, it was impossible to move the patient's bed owing to the narrow doorways. This resulted in complete lack of privacy for the previously mentioned heart case and extreme anxiety was felt, on his behalf, but the other men in the ward.

Five Beds

The men's ward in the Lady Minto hospital is now accommodating five beds and should only hold three, and the window arrangements in this ward, and particularly in this ward, are inconvenient for efficient operation.

There are no plumbing facilities in this ward and the men take their turns at sharing the only washbasin on the ground floor with the women and children patients and the nursing staff.

There are only two electric wall plugs in the men's ward, these have to serve for steam inhalations, lamp treatments, bed lights and radios. In order to secure further plugs it

would be necessary to do considerable re-wiring.

There are also no clothes closets in this ward, the clothing of male patients and their luggage have to be placed in a two-foot by four-foot clothes cupboard in one of the women's rooms, upstairs.

Funeral Service For Lewis Graham

Funeral services for Lewis Graham, aged 73 years, who passed away suddenly on Monday, March 1, were held in the Burgoyne United Church on Thursday, March 4.

Mr. Graham was born in Dundee, Scotland, and had resided at Fulford for the last two and a half years.

Surviving are his widow and one son, Roderick.

Rev. J. G. G. Bompas conducted the services. The hymns sung were "The Lord Is My Shepherd" and "Abide With Me".

Pallbearers were H. E. Townsend, H. Barker, A. Davis, W. Twa, W. M. Mout and W. Byers.

Cremation followed at Royal Oak Burial Park.

TREASURE TROVE

IS FOUND BEHIND OLD PICTURE

(By Doris Leedham Hobbs)

The other day, I was fixing an old picture in its frame, when I noticed a piece of newsprint. What was my delight when I pulled out a folded newspaper, yellow and torn, with the heading "The Sunday Chronicle, July 29, 1888, Quadruple Sheet, San Francisco."

What a feast, and what fun. It was alas, only the top half of the Quadruple Sheet, so one began an article only to find it was literally cut short.

It had a London correspondence, which in this issue dilated on Wilhelm II, "Character of the Present Kaiser," his sadly crippled arm, the story of his youth and manhood. There I learned that "even at table he is obliged to make use of a combined knife and fork with his right arm, rather than endeavor to exercise the left, a source of great mortification to him."

From that my eye went on to a learned dissertation of British History at the time of the withdrawal of the Roman Legions from Britain leaving the country a prey to the pagan hordes of the Saxons, ending with the statement "The Eagle of the Romans was followed by the Pig of

the Saxons." (till then I had no idea the pig was a Saxon emblem!)

On again to "British Jockeys and what they are paid to race overseas," in which I was told that at least two jockeys rode in more than 500 races in 1888 and must have had incomes of at least £2,000.

Next came, "Thrilling experience of the British freighter Tyrian, of Glasgow, which is reported to have shivered from stem to stern three times in 30 seconds, from the effect of a marine earthquake, and which was finally, but without loss of life or cargo, tossed right out of the water."

One rather delicious article was a reprint from a Boston newspaper dealing with "Cranks and Queer Specimens who haunt the Public Library."

Most of these, one learns, were students of occult learning, the mysteries of Buddhism or other highly complicated philosophies of the East.

Not a few, apparently, positively live at the library, arriving at 9 a.m. day after day, bringing their lunch and when finished, go to sleep.

To this sort of thing, no objection is offered. However, in the way of

edibles to be consumed on the premises, the line is drawn at pie, which is too sticky and makes too many crumbs!

"Other readers remove their shoes and toast their damp stocking-feet on the radiators." One old gentleman, I find, reads Swedenborg over and over again!

"Perhaps," says the librarian, "he will eventually arrive at a comprehension of what no one else has been able to understand."

Another queer character plays his fiddle softly as he peruses old music scores which may not leave the library.

The public library seems to have been a great place for trysting lovers. "They come in pairs and sit together for hours on the little upholstered couches which line the upper hall."

"So close, so very close, holding hands, and looking unutterable things."

"A keen perception of the fact that this sort of thing must of necessity go on more or less as one of the conditions of human existence restrains the librarian from interfering with ordinary billing and cooing." It is only when the love-making becomes intensive, as it were, that he resorts to extreme measures by standing in front of the offending couple, a few feet away, and literally staring them out of the room.

Here is how to improve the flavor of watermelon. Cut out a plug and some hours before your party, pour in a good claret or one and a half pints of good brandy. Keep on ice.

The diners, we are told, began tasting what appeared ordinary watermelon, "but one noticed an instant change in the demeanour of everyone—they sniffed the air and looked at one another, then sniffed again . . . several remarking on the rich taste. It was all consumed!"

The most tantalizing column in the old Chronicle tells of the visit of two young reporters who make their way to the Drenan farm in Texas to verify the statement that Lincoln's first love, the lady who refused him, was living in Texas, and adding Mrs. William Drenan, a respectable lady of this country once refused to marry Abraham Lincoln, who was afterwards president.

At that time the lady lived in Illinois. The lady, we are told, cooked an ample repast for the two reporters, but alas, the piece which referred to her past romance must have been in the lower half of my treasure trove—Pity!

Yugoslavia Treats Children Against Mycosis

Mycosis, a highly contagious fungus infection of the scalp, reached near-epidemic proportions in certain areas under wartime conditions. In Yugoslavia, the World Health Organization and the United Nations International Children's Emergency Fund joined with the Government to strike at this disease which, unchecked, results in permanent loss of the hair. Trained technicians, working with UNICEF-supplied X-ray equipment to remove fungus-infected hair, are effecting rapid cures. Pictured above, hospital workers remove remaining hairs from children's heads after zinc-oxide treatment.

along to heat the hand. When I got home, Bennett and some of the boys were starting out to hunt for me. "They thought I was gone for keeps. That's how it was in those days. But if you could follow the tide out and catch it coming back, you could keep rowing all night even in heavy rain or snow."

"There was one funny thing happened in Nanaimo that trip. After I'd sold my apples, I went into a store to buy a gold watchchain. I was examining one when I looked up and there was a man's face right up close to mine. I could hardly believe my eyes because his nose was dripping like a leaky tap. 'How much is this watchchain,' I asked him. Somebody burst out laughing. I looked hard at the man with the dripping nose but his expression hadn't changed. Then I woke up. 'The face I had been looking at was a trick jug put on a shelf to fool

BACKACHE May be Warning

Backache is often caused by lazy kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Get Dodd's Kidney Pills now. 51

Tory Ladies' Group Enjoys Evening

The last regular meeting of the Saanich Peninsula Women's Progressive Association took the form of a Valentine party at the home of Mrs. C. Giles, 509 Boleskine Road. The rooms were tastefully decorated with hearts and cupid. Mrs. Nora Lindsay, president, displayed the gavel won by the club for the greatest increase in membership for

1953 awarded by the national headquarters. During the games which featured the evening Mrs. T. Sadler won the prize for the hidden treasures and Miss Wilson for the heart puzzle. The highlight of the evening was the magic act led by Mrs. G. R. Pearkes. Refreshments were served by the hostess and her committee. Next meeting will be held at the home of Mrs. Lindsay, 920 Tattersall Drive, on Wednesday, Mar. 10.

Wise Gardener

Notes From Saanichton Experimental Station

Many gardens this spring are being planted with dwarf apple trees on EM No. IX rootstock.

The question of pruning these trees is frequently asked. If the tree, as received from the nurseryman, is a straight unbranched whip, it can be shortened to 30-36 inches from level. That is all that can be done this year.

If the tree is two years old and branched, light pruning may be necessary if this has not already been done at the nursery.

By light pruning we mean the removal of twigs which seem to be superfluous. If two branches are growing close together and in the same direction one should be cut out. This is the time when the permanent scaffolding branches are chosen for the tree.

These should be well distributed around the main stem to give balance. Sometimes whips have been left unpruned at planting time and yet grown into well shaped dwarf trees, with laterals well spaced and low down on the main stem.

While pruning is important in starting these young dwarf trees on their way it must be remembered that they require more care than the standard tree on a seedling rootstock. Good growth must be maintained by manuring, mulching, fertilizing, etc., as the root system is limited and does not reach out as in vigorous trees.

Sweet Corn
The use of hybrid sweet corn is now so widespread that almost every gardener is acquainted with its merits.

In the current list of varieties recommended for Vancouver Island, four of the seven varieties listed are hybrids. Results of trials at the Experimental Station support this emphasis on hybrids. In fact, except for the fact that the home gardener often finds it useful to have his garden corn ripen over a fairly long period, it is doubtful whether the open pollinated varieties would be grown even to the extent they are today.

Certainly in growing corn for market, freezing or canning, the hy-

brids hold full sway. For these purposes economy of harvest is important, and therefore the grower sows several different hybrids which will have different seasons of maturity, each ripening over a short period.

The heavier yield of the better adapted hybrids is also an important economic consideration. The open pollinated varieties or non-hybrids on the other hand, are usually less vigorous, and tend to be less regular in plant habit, and ear size

Donations For Fire Department

Donations were made during the month of February to the Sidney and North Saanich Volunteer Fire Department by the following: Mrs. Edna M. Griffiths, Mrs. J. Menagh, J. A. Kirkpatrick, Mrs. Ormond, Mrs. J. H. Cummins, J. S. Gardner, Sr., E. Hay, P. Foote, Mrs. A. R. Anderson, Miss E. France.

The names were released this week by Cndr. F. B. Leigh, chairman of the fire committee.

The Commonwealth Development Finance Corporation, formed early last year with the backing of the Bank of England and leading financial and industrial interests, has made its first overseas investment. This will be the rupee equivalent of \$2.8 million in the equity of the new Sri Gas Transmission Company in Pakistan.

ANSWER TO LAST WEEK'S PUZZLE

FRANK EDGELL TOPS HERDS

The following are lists of herds in the Vancouver Island (South) D.H.I. Association, whose averages for the month of February were of 30 pounds of butterfat or more.

Large herds, 27 cows or more: J. T. Godfrey, 1068 lbs. of milk, 43.9 lbs. of fat; G. A. Swan & Sons, 863 lbs. of milk, 42.5 lbs. of fat; Burdge Farms Ltd., 1180 lbs. of milk, 39.4 lbs. of fat; R. Rendle, 1143 lbs. of milk, 38.8 lbs. of fat; G. Rogers, 850 lbs. of milk, 38.6 lbs. of fat; J. A. Wright, 723 lbs. of milk, 30.5 lbs. of fat.

Small herds, 26 cows or less: E. Edgell, 1470 lbs. of milk, 56 lbs. of fat; J. E. Wilford, 812 lbs. of milk, 40.8 lbs. of fat; D. W. McLennan, 880 lbs. of milk, 45.3 lbs. of fat; Mrs. M. M. Price, 1187 lbs. of milk, 41.3 lbs. of fat; J. Looy, 1152 lbs. of milk, 40.7 lbs. of fat; R. L. Nutrie, 780 lbs. of milk, 39 lbs. of fat; G. & R. Mitchell, 1005 lbs. of milk, 38.9 lbs. of fat; S. Fox & Son, 831 lbs. of milk, 38.9 lbs. of fat; B. Hoole & Son, 717 lbs. of milk, 37.8 lbs. of fat; C. J. Reimer, 777 lbs. of milk, 31.9 lbs. of fat; J. Ferrie, 621 lbs. of

ICE CAPERS SHOW SOON

Coming to the Victoria Memorial Arena March 19 and 20 with a matinee at 2.30 on the 20th, Ice Capers of 1954, starring Dick Button, world, Olympic and U.S.A. champion, promises to be a real treat for the whole family. Along with Button is Jan Tors, famous English comedian whose antics never fail to send the crowds into gales of laughter. The smooth Connaught Four, western champions, are very pleasing to watch.

Featuring "Peter Pan" with an up-and-coming young skater Cathie Rivers in the lead, and Marilee Rutley, another champion in the making as "Wendy", along with lost babies, mermaids, fairies, wild beasts, this number is well worth seeing.

The Wedding of the Painted Doll, Gay Parisienne, Top Hat and many more go to make up the 12 acts of this huge ice show. Over 600 local skaters will take part. Tickets are now on sale at Central Ticket Bureau, 817 Fort St.

SIDNEY I.O.D.E. TO SPONSOR QUEEN CONTEST

The monthly meeting of H.M.S. Endeavor chapter, I.O.D.E., was held Wednesday, March 3, at the home of Mrs. J. H. Currie, McTavish Road.

Reports of officers and committees were read and the treasurer's report showed a balance of \$29.34. Subscriptions for the Canadian Geographic magazine to four local schools were renewed and plans for the St. Patrick's day bridge to be held March 16 at Hotel Sidney, were discussed.

Arrangements were made to sponsor the Sidney Day Queen contest for July 1.

Five new applicants were elected to become members of the chapter and two former members are to be welcomed back.

Delegates to the annual convention to be held in the Vancouver Hotel April 6, 7 and 8 will be Regent Mrs. G. F. Gilbert and Acting Standard Bearer Mrs. J. Bell.

Members were reminded there will be no work meeting in March and the April business meeting will be held at the home of Mrs. F. Reid, Rest Haven Drive.

Final Rehearsals For Drama Festival

The North Saanich High Drama Club is holding its final rehearsals this week for the entry in the Schools Drama Festival scheduled next week at various schools in Victoria.

For this year's presentation the group has chosen a comedy, "Our Dream House", with a cast including Marion Thompson, David Gray, Jill Turner, Cathy Stone, Pat Gray, Robert Reading and Robert Ross. Mrs. I. Lee, senior English teacher at the school is the director, and D'Arcy Trounill is stage manager.

North Saanich appears on the opening evening of the Drama Festival, Monday, March 15, at the new Oak Bay junior high school. This auditorium has an excellent stage, a sloping floor, and comfortable seats—an ideal set-up for school drama.

"Our Dream House" will be presented at the North Saanich high school on March 26 as one of the several items now in rehearsal for the annual school concert.

Central America—Past and Present

Central America is the strip of land that links North and South America. It is divided into five small countries: Guatemala, El Salvador, Nicaragua, Costa Rica and Honduras. The isthmus is an area of contrasts with centuries-old scenes blending in with modern constructions and improvements, as illustrated in the above photographs that show an old dirt road and a modern steel-concrete bridge in El Salvador. The five countries, small in size but rich in natural resources, are trying to bring about an economic integration of the five nations to pave the way for general improvement in living conditions in all these countries. United Nations technicians and experts are playing a key role in this task which has started to yield fruit such as the adoption of a uniform customs tariff.

Open House At Sidney School

Sidney elementary school has planned to hold "open house" during Education Week.

Parents and friends are invited to visit the school on Monday, March 15, from 1.30 to 3.30, to view the pupils' work. School texts and visual aids will also be on display.

Those who are unable to attend in the afternoon will not be disappointed as the work will be on display again at the P.T.A. meeting on the same evening at 8 o'clock.

Observatory Is Centre Of Study

To conclude their studies on the universe, Grade 8 class of the North Saanich high school visited the Dominion Astrophysical Observatory at Little Saanich Mountain last Tuesday.

Dr. Underhill related the history of the large 72-inch telescope and explained its operation. Each student was able to view the planet, Venus, which they had previously studied in class.

Class teacher Fred Francis arranged the trip and P.T.A. members Mrs. L. Christian, Mrs. W. W. Gardner and L. Harvey assisted with the transportation.

COMMUNITY CLUB COMMENTS

Friday evening, March 19, has been set for the next club social. We are looking for a full attendance.

A thoroughly enjoyable evening was spent by the members of the club on Friday evening. No business meetings are held at social evenings as the executive meets the last Sunday in each month. Members will be given an outline of the business early in each social. An enthusiastic crowd danced and played. Refreshments were also featured.

Improvements to the club hall were widely noticed last week. These had been carried out by President Dave Peddle and a number of volunteers. There is a new counter for the serving of refreshments and a merit board is placed beside the counter. More chairs have been added to the dancing room and the walls are appropriately decorated.

Home cooking sale staged on Saturday, March 6, was completely sold out. A group of members headed by Gail Smith attended the stall, which was placed across from Stan's.

Students Visit B.C. Legislature

Tuesday, March 2, was the occasion of a visit to the provincial legislature by the Grade 11 class of the North Saanich high school. The visit had been arranged by the social studies teacher, D. W. Cobbett. Transportation was provided by teacher, students and two parents—Rev. R. Melville and G. W. du Temple.

A first-hand knowledge of the operation of the legislative assembly

Grocery in the vacant Bank of Montreal lot. Many thanks are extended to Mrs. G. F. Gilbert for making up a price list.

Sports

The soccer squad played Salt Spring Island on Sunday at the Memorial Park. Our visitors won, 1-0. The game was for the Lower Island junior championships.

Juvenile girls played Senior B in the armories on Monday in a basketball exhibition game. Bantam girls lost to Cordova Bay in a game played on Monday also at the armories.

The first play-off for the league semi-finals will be played by the senior boys vs. Brentwood.

was the purpose of the trip. The main speaker during the afternoon was Minister of Lands and Forests R. E. Sommers, who gave a complete coverage of British Columbia's forests and rivers, and also a detailed account of the present and potential waterpower of the province.

Before the legislature convened the class visited the provincial museum.

NOVEL GAME AT PATRICIA BAY

The Junior Council "Whirlwinds" and the Staff "Globe Trotters" of the Patricia Bay section of the North Saanich high clashed in a basketball fixture last Friday to replenish the council treasury.

Both teams wore such weird and wonderful costumes that Referee A. W. Murphy had a difficult time to discern who was under the 'coon-skin coat or who would emerge from the cocoon of bandages.

The Whirlwinds starred Ron Gardner, Colin Ross, Bill Lumley, Lynn Christian, Barry Brooks, Anne Eckert, Howard Shanks and Betty Herrington.

The Trotters trotted out Miss Miller, Miss Preston, Mr. Francis (who received able assistance from Art Jordan), Terry Collins, Joan Bath, Carol Darkes and Dennis McCoy.

When a car is travelling at speed on a rough road there is rarely a time when all wheels are on the ground.

FROM FAMOUS EGG-LAYING STRAINS R.O.P. sired New Hampshire Pullets. Vaccinated against Newcastle and Bronchitis. Ten weeks old, \$1.20; 3 months old, \$1.50, any quantities, year around.

EDUCATION WEEK PLANNED AT PATRICIA BAY AND McTAVISH

Members of Saanich P.T.A. were visitors to the February meeting of Patricia Bay-McTavish P.T.A. The visitors were greeted by the acting vice-president, William Todd, who was in the chair.

President F. Sealey reported on the recent Saanich Peninsula P.T.A. Council meeting. Miss J. Chamberlin, principal of Patricia Bay school, reminded the visitors of Education Week and invited parents to attend the school during the afternoon of March 12. A similar invitation was extended by Miss D. Williamson,

principal of McTavish school, for March 10 from 1 p.m. to 3 p.m. Mrs. S. North reported on magazines and radio, and Mrs. B. Readings reported that membership was now at 45.

In charge of the nominating committee for Saanich Peninsula P.T.A. Council was Mrs. F. Eves, who asked for volunteers to serve on the council.

Mrs. W. R. Orchard gave a detailed report on the North Saanich Health Council.

Under the direction of Program Convener Mrs. C. Whipple a brief ceremony of recognition of the founders of P.T.A. was observed. Taking part were G. E. Nimmo and W. G. Chornlesky of Saanich. Each participant read a verse and took an appropriately colored flower to demonstrate it.

A film show concluded the evening's entertainment. This was followed by the serving of refreshments.

INJURED IN COLLISION

Woman injured in a car accident on Beacon Ave., during the evening of Saturday, Feb. 27, was Mrs. Ruth Dosch, a resident of Shangri-La Auto Court. Last week the name of the victim was erroneously given as Mrs. A. Kusch.

AVERY TO HEAD ISLAND SOCREDS

The monthly meeting of Group Three, Social Credit League, was held recently in the Mahon Hall, Ganges, with a large number present.

P. Hawkins, president of the Social Credit League of B.C., was present and addressed the meeting. The election of officers resulted in the election of E. Avry as president, Scot Clarke as vice-president, Mrs. F. Sharpe, second vice-president, Mrs. F. H. Newnham, treasurer, and F. H. Newnham, secretary.

Prior to the meeting Mr. Newnham entertained Mr. Hawkins and a few friends at dinner.

Korea Aftermath—UNKRA at Work

Even before the guns were silenced in Korea, the United Nations Korean Reconstruction Agency was at work trying to heal the wounds caused by war. One of the key tasks facing UNKRA in its reconstruction work, is the rehabilitation of Korea's shipping. Shown above (right) is the "Chin Hae Man" dredge purchased by UNKRA in Honolulu and shipped to South Korea where it will be used to reopen that nation's western harbors to peacetime navigation. At left is the United States Navy dry dock, "USS Ft. Marion," which transported the dredge from Hawaii to Korea.

DEEP COVE

The evening group of the Deep Cove United Church W.A. held its monthly meeting on Tuesday, March 2, at the home of Mrs. Gordon Hay, Cypress Road. The despatch of Easter gifts to Pat and Susan Miller was approved. The group also decided to accept responsibility for the serving of supper to choristers after the Saturday evening concert.

Group committee for Deep Cove Scouts held their monthly meeting at the home of Miss W. J. Brown, Madrona Drive, on Thursday evening, March 4.

Deep Cove Community Club staged a card party on Friday evening, March 5, at the school. Whist, crib and "500" were played at 16 tables. Winners were: crib, ladies' high, Mrs. A. Smith; 2, Mrs. J. Stewart; consolation, Mrs. F. Allen; gentlemen, 1, E. M. Scott; 2, Mrs. D. Robinson; 3, K. Smith. Whist, ladies', 1, Mrs. H. Starck; consolation, Mrs. Simpson; gentlemen's, Barbara Starck; consolation, Mrs. A. Moore. "500", ladies', 1, Mrs. Watson Smith; 2, Mrs. Tripp; consolation, Mrs. Bows; gentlemen, 1, Mr. Smith; 2, W. Stewart; consolation, Mr. Tripp. A regular card party will be held next Friday.

A good attendance of ladies of Deep Cove met at St. Augustine's Hall for the World Day of Prayer. Leaders were Mrs. William Anderson-Smith and Mrs. H. Smith. Those taking part in the prayers were Mrs. A. F. Watts, Mrs. R. Payne, Mrs. A. Sutter, Mrs. H. J. Watts, Mrs. J. S. Gardner and Mrs. Clement May. Mrs. A. F. Watts gave a brief resume of the history of the Women's World Day of Prayer. Mrs. R. H. Chappell played the organ. Collection amounted to \$10.10.

A. E. Bazett-Jones, who was a patient recently in Rest Haven Hospital, has returned to his home on Maple Road, where he is convalescing.

TICKETS STOLEN

Tickets for membership in the Sanscha Car Club have been stolen from one of the locations where they are on sale. The public has been advised by the committee responsible that these tickets are numbered from 571-600. Prospective purchasers are warned not to accept tickets so numbered as they have been cancelled and are not authentic.

COOK HEADS COUNCIL FOR NEW PERIOD

D. R. Cook will head North Saanich Health Council for a further term. Mr. Cook was re-elected president by acclamation at the annual meeting recently.

All elections were unanimous. These included Mrs. G. Stuart, vice-chairman; Mrs. G. C. Johnston, secretary-treasurer; A. Calvert, Mrs. W. R. Orchard, Miss M. Enos and Mrs. P. T. McNutt, executive.

Mr. Cook expressed regret at the still poor attendance shown at the meeting. There were 14 organizations represented.

The dental clinic committee reported that 21 children had been treated to date and 11 cases were completed. The excellent standing of the funds of the clinic was in great part attributed to the gesture of Dr. J. D. Butler, it was stated. A discount of 10 per cent has been allowed by the Sidney dentist on his bills. In view of this standing it is felt that a small number of pre-school children can now be accepted by the scheme.

The council will ask Sidney Village Commission to arrange an address by the village sanitary inspector on the proposed sewerage scheme.

Ambulance

An emergency ambulance for Sidney was again discussed and the cost of a new or second-hand vehicle was considered far beyond the means of the district. The council heard recommendations for the conversion

Scout Bridge Drive Realized Nearly \$80

Total of \$78 was realized for the funds of the Scout movement in Sidney by the recent telephone bridge drive.

Included in this total were cash donations received from Mrs. L. Goddard, Miss E. Gwynne, Miss C. Macdowall, H. Bewley and Mrs. M. Thomson.

Two hostesses during the drive were Mrs. G. R. Stuart and Mrs. D. R. Koss. These names were omitted on the previous list.

Supreme authority on English grammar, the Oxford English Dictionary numbers about 50 volumes and is rarely found outside institutions.

of an old car or panel truck for the purpose.

Possibility of forming a St. John Ambulance Brigade unit in Sidney brought to light the fact that the organization would contribute to the acquisition of an ambulance if such a unit were formed here. The council will investigate whether sufficient members are interested in taking a first aid course.

On the motion of Mrs. Hammond the executive will investigate the institution of certain changes in the council constitution.

AMERICAN STORK IS NOT FAR BEHIND

The American stork has not lagged behind his Canadian cousin. This was the view expressed by Reeve Sydney Pickles of Central Saanich upon his return from an extensive holiday in California. The reeve explained that the problem of housing an unprecedented number of school children is as severe south of the border as it is in British Columbia.

Reeve Pickles has been staying in California since the New Year, while he and Mrs. Pickles were regaining their health. Looking fit and ready again to take his place at the head of the council table, the reeve has benefitted by his holiday.

The Central Saanich chief magistrate expressed amazement at the number of used car lots in California. Acres and acres of land are filled to capacity with used cars, he reports. While the majority do a steady business handling modern used cars, there are a number specializing in pre-war cars. A 1941 or 1942 car will fetch as much as \$25 on these lots, he observed.

A novel feature to car dealing in California, the reeve learned, is the law which prohibits the alteration of a speedometer on pain of imprisonment without the option of a fine. Few cars show a false, low figure on the car lots, he was informed.

THEIR TENDER WAS LOWEST

Insurance tenders were opened by Central Saanich council on Tuesday evening.

Significant offer was that of a Victoria firm of insurance agents, who enclosed a covering letter explaining its tender and had omitted to enclose the tender.

Tenders were referred to the finance committee.

Continued from Page 2.

In and AROUND TOWN

A British freighter, Mr. John has sailed the B.C. coast for a number of years. This is his first voyage on a deep-sea vessel.

Mrs. A. Jarrett, Dencross Terrace, returned to her home on Sunday, following a visit to California and Vancouver.

Mrs. H. Boffey, Victoria, was a week-end guest of Mr. and Mrs. J. Easton, Fifth St.

Mr. and Mrs. H. Lochr, Seattle, Wash., are guests of Mrs. Lochr's parents, Mr. and Mrs. A. Von Volkenberg, Queens Ave.

Mr. and Mrs. A. Finlayson have returned to their home in Ensign, Alta., following a two-weeks' visit with Mr. Finlayson's brother and sister-in-law, Mr. and Mrs. H. L. Finlayson, Fifth St.

Sunday guests at the home of Mrs. J. Menagh, Marine Drive, were Mrs. T. Taylor, Miss Gwen Powers and Mrs. Menagh's brother-in-law and sister, Mr. and Mrs. S. M. Vallis and their daughter, Helen Vallis, all of Colwood.

Mr. and Mrs. W. E. Oliver returned to their home on Beaufort Road on Wednesday, following several weeks' holiday in California.

First internal combustion engines operating on the compression-ignition principle were constructed by Dr. Otto Diesel in Hamburg and employed coal dust as fuel.

NOTICE

Purchasers of Sanscha Car Club memberships are advised not to accept numbers 571-600. These were removed from a location and are declared cancelled.

We've Got TWINS!

Yes, we've got the New PITTSBURGH MATCHED COLORS for Walls and Woodwork!

Wallhide Rubberized SATIN FINISH

This outstanding product is for all interior surfaces. It glides on with amazing ease, by brush or roller-coater, and dries in 15-20 minutes, producing a smooth velvet-like finish without lap or brush marks. Wallhide Rubberized Satin Finish has no objectionable odor and rooms painted can be back in use in about one hour. The finish is tough and durable and will withstand repeated scrubbing.

Quart \$2.30

Gallon \$7.55

SATINHIDE ENAMEL

This new product has been developed as a companion to Wallhide Rubberized Satin Finish and is available in the same 16 colors and white. Because of its pleasing sheen it is well suited for wood or metal trim and ideal for kitchen and bathroom walls. Satinhide Enamel requires no special primer or under-coater and one coat is usually sufficient for repainting work.

Quart \$2.75
